

# HELLFIRE RUBBER BOOT

Thorogood's® Hellfire™ series provides superior protection for structural fire fighting. That's because Thorogood has designed the Hellfire series to fulfill the demands of field duty, going beyond current standards to deliver extra measures that can make all the difference in an emergency situation.

▲ **Unique one piece liner construction**

Utilizes DuPonts™ premiere Kevlar® knit fabric. The one-piece liner eliminates overlapping seams that trap moisture and channel burning steam.

▲ **Oversized ISCO TZ steel toe cap**

Allows generous layers of insulating materials to fit inside the toe cap to reduce conductive heat.

▲ **Strategic placement of steel midsole blocks heat as well as punctures**

Separation from the foot via midsole insulation reduces temperature penetration.

▲ **Cushion shin guard with rung-gripping texture**

Dual-purpose design is textured for stability and cushioned for comfort.

▲ **High-temperature-resisting reflective patches**

Vulcanized patches retain full brightness and reflectivity over time, even at high temperatures.

▲ **Polyurethane removable insole**

Provides athletic shoe comfort and additional thermal protection.

## THOROGOOD FIRE BOOT WARRANTY - Rubber Footwear

All Thorogood NFPA products distributed by Weinbrenner Shoe Company or its authorized distributors are guaranteed to be free of any manufacturing or material defects for a period of one year from date of purchase with the exception of the sole which shall be warranted for 18 months of the usable life of the boot. Products considered to be defective should be returned to an authorized distributor at owner's expense for inspection. The product will be either repaired or replaced at the discretion of the manufacturer. Any replacement will be for the same style and size. This warranty covers normal firefighting use only. Weinbrenner Shoe Company or

its authorized distributors cannot assume responsibility for any product failure incurred by misuse, abuse, neglect or exposure to a substance or environment that degrades the product beyond the NFPA test requirements.

This is a limited warranty. Thorogood makes no other warranties including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. In no event will Weinbrenner Shoe Company be liable for incidental or consequential damages even if it has been advised of the possibility of such damages.

## Meets or exceeds NFPA Requirements

- 5-4.1 Resistance to convective heat
- 5-4.2 Resistance to radiant heat
- 5-4.3 Conductive heat resistance test #1
- 5-4.4 Conductive heat resistance test #2
- 5-4.5 Flame resistance test #4
- 5-4.6 Liquid penetration resistance test
- 5-4.7 Viral penetration resistance test
- 5-4.8 Puncture resistance test #1
- 5-4.9 Threat melting test
- 5-4.10 Puncture resistance test #2
- 5-4.11 Cut resistance test
- 5-4.12 Slip resistance test
- 5-4.13 Abrasion resistance test
- 5-4.14 Electrical insulation test #2
- 5-4.15 Impact and compression tests
- 5-4.16 Ladder shank bend resistance test
- 5-4.17 Eyelet and stud post attachment test
- 5-4.18 Corrosion resistance test
- 5-4.19 Label legibility and durability test #1
