WEINBRENNER IS AN
ISO 9001 CERTIFIED COMPANY

Rich, Full Grain Leather Uppers. Treated for durability and supple for comfort.

Solid Brass Hardware. Strong, durable, and corrosion resisting.

Memory Foam Safety Toe Cap Lining. Removes the sharp, hard edge from the back of the steel toe.

Oversized Safety Toe. Allows plenty of area for toes to spread, bend, and flex.

S060

Insole System with Easy-Flex Notches. Built-in anti-fatigue mat. Memory foam helps contour insole to your foot. Elongated arch support provides complete support across the entire length of the arch.

Comfort Weave Linings. Absorption Zone helps remove perspiration from the foot. Transport Zone helps moisture evaporate through the upper leather. Keeps feet cool, dry, and comfortable.

WORK ONE® Dual Density Sole and Heel Unit. Outer density is abrasion and slip resisting. Inner density provides a soft bed of shock absorbing comfort. Both densities are oil, chemical, and acid resisting. Sole comes in either electrical hazard or static dissipative versions.
