

I-MET™

Metatarsal Guard

I-MET, a breakthrough in metatarsal protection, *exclusively from WORK ONE®*, features the only Internal Metatarsal Guard that's completely integrated with the steel toe cap.

**PATENT PENDING
TECHNOLOGY**

Memory Foam Padding helps absorb the impact to the foot and instep

Flexible **I-MET**

Steel Toe ASTM F 2413-05 M/1/75/C/75/Mt/75

I703

Integrated: Permanently “locks” the metatarsal guard into place to prevent “rolling/floating” of the MetGuard.

Internal: Eliminates the potential “trip hazard” which is common with some conventional metatarsal guards.

Invisible: Invisible from the outside, this flexible MetGuard provides all day protection and comfort.
